The York Rite College of North America created and designed a Gold Honor Award which can be given for unselfish and outstanding service in any branch of the York Rite. The recipient need not necessarily be a member of a York Rite College, nor is it essential that he be a member of all the other York Rite Bodies.

A nomination must be formally proposed by a York Rite College and approved by the Grand Governor of the State or Province. The Governor General may propose and approve nominations from members of the Governor General's College.

The citation issued with the York Rite Gold Honor Award reads as follows:

"This Gold Honor Award has been presented in recognition of outstanding service in York Rite Masonry by the York Rite College of North America, which is composed of members of the Blue Lodge, Royal Arch Chapters, Council, and Commandery."

Make 3 copies: Send original to Sovereign College Office in North Carolina; Copy to Grand Governor; and retain a copy for your files.
